

Shepherd of the Valley Lutheran Church
Beaverton, Oregon

To whom it may concern:

I was truly impressed with John Cross's enthusiasm, communication skills and professional demeanor when he worked with us at Shepherd of the Hills. John served as our Capital Funds Campaign Consultant for Shepherd of the Valley Lutheran Church. John consistently demonstrated all of these qualities and more.

I heartily endorse him for any Capital, Debt Reduction or Mission Enhancement campaign.

John is reliable, dedicated, and eternally upbeat. His ability to work with multiple teams is unparalleled and because of his excellence in this field. All of us repeatedly looked to John for support and guidance in our campaign tasks. John multitasks effectively, and is able to handle a high-volume workload. He consistently met or surpassed all weekly communication.

John has a team player mind-set, enthusiastic embrace of personalized touches, ability to work with multiple teams, and unwavering commitment to exceeding customer relations. I regularly received unsolicited praise from members commending on John's outstanding level of sensitivity, professionalism and follow-through.

Organized and diligent, John quickly provided materials and examples needed for various campaign projects.

John is hardworking and personable. He has my highest recommendation.

Sincerely,

Tammy
